take your comfort with you

Ergochair

actyv™ range

Our full range of support products designed specifically to enhance the feel of your existing chair... for those occasions when you just can't take your Adapt® chair with you!

Our Actyv™ range of comfort products are constructed from only the finest materials. With supreme soft to touch fabrics and memory foam layers these products offer you superb comfort and that well deserved touch of luxury.

superb comfort with the touch of luxury

seatwedge

11° tilt | dimensions: 40 cm x 40 cm

To assist with sitting for long periods, this seat wedge will help maintain the spine in its natural position, significantly decreasing muscle fatigue and pain across the lower back.

coccyx cut out wedge

11° tilt | dimensions: 40 cm x 40 cm

This wedge will gently rotate the pelvis forward to relieve strain from the lower back.

designed with your comfort in mind

inflatable back support

When easily adjustable back support is just what you need, our range of inflatable products will have you comfortable in seconds!

With a soft memory foam cover and robust air-cell insert our back supports provide individual comfort both horizontally or vertically.

- Perfect for use on the road or in meetings
- Pump tubing can be cut to desired length
- Fully self-adjustable strap

Dimensions:

Regular: 20 cm x 10 cm

Large: 30 cm x 15 cm

Reactive (3 cell): 30 cm x 30 cm

Vertical: 10 cm x 20 cm

d-roll

dimensions: 35cm x 14 cm x 10 cm

D-roll designed to support the lower back when sitting in a chair, in the car or at home, this d-roll can help encourage correct posture by counteracting slouching. Fully adjustable self-adjustable strap.

comfycushion

dimensions: 42 cm x 42 cm x 10 cm

This sprung seat is coupled with a layer of Memory Foam to provide an extremely comfortable solution to a hard seating surface... think of a mini-mattress and you get the idea!

coccyxcomfort cushion

dimensions: 40 cm x 40 cm

This cushion is designed to relieve pressure to the coccyx area and can be placed on any seat surface. A Memory Foam top layer ensures maximum comfort.
