

ErgoDriver™

Tailored Back Support
for Drivers

Designed by Ergochair, the UK's leading
manufacturer of specialist seating.

In collaboration with the RAC

The first back support that can be tailor-fitted for individual support

- **Tailored** – Moveable air cells can be positioned exactly where support is needed
- **Adjustable** – Each air cell has its own separate inflator bulb, allowing for total control and adjustability
- **Inclusive** – Air cells can be combined to provide support for an innumerable range of postural issues
- **Secure** – Protected 3 way harness system fits securely onto most cars, vans & commercial vehicle seats
- **Quality** – Memory foam layer provides maximum comfort in a super slim profile
- **Portable** – drivers can carry it with them for use across multiple vehicles
- **Breathable** – High Performance, breathable Spacetec 3D fabric with freshFX technology for long lasting freshness
- **Preventative** – Custom fit support prevents poor postures from being adopted during static driving
- **Documented** – ErgoDriver™ Assessor's Kits make specifying ErgoDriver™ as a solution simple and keeps documentation efficient

More than 66% of van drivers have taken time off work due to back pain –costing the UK economy £21 billion per year.¹

The 5 unique air cells and how they work
