

adapt 200

Handmade to a child, teen or petite adult's exact measurements, the Adapt 200 gives those with smaller frames the freedom bigger chairs overlook.

Light in scale, heavy on support. With this game-changing chair, reading, study, or creativity flows naturally without the distraction of discomfort.

The Adapt 200 pairs personal ergonomic support with a library of Adaptations™ - chosen in minutes via our easiSpec tool.

- Bespoke sizing for smaller frames
- Inflatable lumbar and memory-foam seat as standard
- Adaptations™ menu for growth-ready upgrades
