

C

## zento fit

Personalised ergonomic support is just a few clicks away. ZentoFit pairs entry-level pricing with menu-driven ergonomics.

Choose from three backs, three seats and a suite of targeted posture add-ons, sized in minutes with easiSpec.

Memory-foam comfort, inflatable lumbar and independent tilt come as standard; add ErgoCore™ or an articulated neck rest when the task demands more.

One range, endless adaptability.

A

B

- VE memory-foam seat with depth slide
- Inflatable lumbar air cell
- Heavy-duty asynchro tilt
- easiSpec fit for quick specification
