

zento smart

From hot-desks to 24-hour control rooms, ZentoSmart adapts to whoever's in the seat.

As standard Super Memory Foam with a Coccyx Relief Zone and ErgoCore™ air cell supports the person in the hot seat to get the job done.

Twin depth slides, free-float synchro and inflatable lumbar fine-tune support in seconds. Add 4-D arms and the articulated Zsmart Neck Roll for round the clock focus.

- Fits 98 % of users
- Double seat-depth + back-height adjustment
- Certified for 24-hour use
