

Technical Specification: Oria Flex

Product Description

Designed for continuous, natural movement, Oria Flex introduces complete freedom through a 360° omnidirectional flex-tilt mechanism. The body remains centred while moving intuitively, supporting dynamic sitting without disruption.

Encourages active posture, focus, and comfort through movement.

Ideal for users who value responsive, flexible seating.

Specification

Seat Height: 540mm - 740mm
Seat Width: 470mm
Seat Depth: 420mm
