

adapt 700

Adapt 700 pairs generous dimensions with robust support for users up to 40 stone (250 kg).

A 2.5 : 1 synchronous tilt opens hip and torso angles for better pressure relief, while independent seat and back controls fine-tune posture.

The extra-dense composite cushion keeps you comfortably lifted - no sinking, no pressure points - even through long hours.

- Composite foam seat, 520 mm depth
- Independent back and seat tilt
- In-stock SE model, black fabric, 1–2-day dispatch

Weight Limit: 250kg / 550lbs
